

What's Happening is a regular e-alert to keep you up to date with information about our activities throughout New Zealand, and is supplementary to our quarterly e-newsletter.

Introducing our new Museum Development Officer

Happy New Year and welcome to our first e-alert of 2012. Our first exciting act of the year is to announce Sally August as our new Museum Development Officer, North Island. Many of you will already know Sally from her role as NSTP's Sector Training Coordinator, and we are delighted that she has taken on this new challenge within our team. North Islanders, you may see Sally around your way soon!

eHive 'how to' videos

The team at Vernon Systems have created a series of useful instructional videos to help you use eHive. The videos cover subjects like creating, viewing, and searching records, and adding tags and comments to collection items.

Notice from ATTTO

From 31 January 2012, ATTTO will be increasing registration fees for all training programmes by \$35 (excl GST).

ATTTO is making changes to ensure they provide better support to workplaces to help keep trainees on track with their training. This includes more thorough trainee auditing and follow-up processes, and better trainee progress reporting for workplaces.
