

## Hono ki Te Papa – Working together with Te Papa

National Services Te Paerangi is committed to building the skills of people working in museums, galleries, and iwi organisations, including volunteers. Improving opportunities for professional development is a key part of our commitment. Our workshops cover most aspects of museum practice, and we offer training at three levels.

Please look to see what training we are offering you until the end of June 2012. The dates are to be confirmed, so please keep a look out in your email inbox for workshop updates and also check our website calendar regularly.

Special topic workshops for your regional or cluster group can be arranged in consultation with National Services Te Paerangi (NSTP) – *please note NSTP has reached its annual Special Workshop target for this financial year, ending 30 June 2012. The NSTP team would be interested to hear other workshop ideas from your regional or cluster group.*
