Unfilled positions, as per your definition, are positions which have been vacated (e.g. the employee resigned) and no-one has been rehired into that role, and there is no intention to begin a recruitment process. Using this definition, there have been no unfilled positions since October 2023 to the date of this request.

Positions that have been disestablished have either been converted to new positions within the Te Papa structure or responsibilities absorbed/situated elsewhere.
