FISH-HOOK (SHANK) ME 8168
North Cape.
68 mm (L) x 10 mm (W)
Deposited minus shank; end blasted;
tapers to both ends; uneven circular cross-sections;
two grooves at one end on one side are fluted
with a flat notch - possibly where a point
was bound on; some signs of crust at one
side.

ME008168; Matau
(fish hook shank);
Unknown
